

Eastlake HS PTSA & PRINCETON REVIEW Present

“FearFree” SAT/ACT Practice Tests—Fall 2011

No worries • No risks • No scores released

Held at Eastlake High School • 400 228th Ave. NE • Sammamish • 98074

Both the SAT and ACT are widely used by U.S. colleges to determine admissions and award scholarships. Because the SAT and ACT test different subjects and score differently, you may perform better on one than on the other. Take both tests to see which one is better for you.

FearFree SAT: Saturday, Sept. 17 • 9:00 am to 1:15 pm

(payment & registration due by Sept. 12)*

FearFree ACT: Saturday, Oct. 8 • 9:00 am to 1:15 pm

(payment & registration due by Oct. 3)*

****Check-in begins at 8:40 am.****

Please bring: sharpened pencils, non-phone calculator, bottled water and a snack

Scores Back Sessions

After the test, come to a Scores Back Session to receive your confidential scores and learn what you can do to improve your scores on the actual SAT/ACT test. An expert from Princeton Review will go over the tests and be available to answer questions. Please arrive on time to receive your score results.

SAT Scores Back Session: Monday, Sept. 26—7pm to 8:30pm (Eastlake High School Commons)

ACT Scores Back Session: Monday, Oct. 17—7pm to 8:30pm (Eastlake High School Commons)

Note: We run these full-length practice tests just like the actual tests to provide students with a real-life experience.
